Dear Mr. Taylor:

On behalf of the Congressional Intern Program, we want to thank you for taking the time to meet with the Congressional Interns on August 2, 1988.

Your informative and enlightening presentation, particularly your overview of the Agency's principle role, the areas of present and future involvement, and accountability vis-a-vis internal, Executive Branch and Congressional oversight, was a valuable contribution to the Lecture Series' educational objective. Also, your most knowledgeable and candid responses, to the Interns' questions, provided the students with a timely account of several intelligence related issues of interest to them.

Thank you again for your support and assistance to the Intern Program.

Sincerely,

Frank Annunzio, M.C.
